

WELLSPRING

Consultant & Advocate Commitment

At Wellspring, our purpose is to help people rediscover wellbeing and vitality through carefully crafted formulations, honest guidance, and genuine human connection.

As a Wellspring Consultant or Advocate, you become an ambassador for this purpose. We believe that lasting success grows from trust, integrity, and a genuine desire to help others. This Commitment reflects the values we share as a community.

Your Rewards

As a Consultant, you receive:

- 20% commission on all purchases made through your personal Consultant link.
- 20% reward on your own purchases when you order through your Consultant link.

As an Advocate, you receive the same rewards, plus:

- 5% commission on purchases made through the Consultants you mentor.

Our Shared Commitment

By joining Wellspring, I commit to:

- represent Wellspring with honesty, integrity and care;
- recommend products only when I genuinely believe they may benefit the individual;
- never make medical or misleading claims;
- treat every customer and fellow Consultant with kindness and respect.

In return, Wellspring is committed to providing exceptional products, ongoing education, fair rewards, and a supportive community where Consultants and Advocates can continue to learn and grow.

"Thank you for choosing to walk this path with us. May your work bring vitality to others — and to yourself."
